Dear Sir

Providence Oct. 24. 1837

I duly received yours of 17th and was very sorry that your engagements were such as to prevent the Sabbaths desired for. but as you say in your letter that you "may be in Providence at the annual meeting of the Rhode Island A.S. Society in Nov. and in that case could preach the Sabbath before or after the meeting" we will request you to say whether or no you can preach for us the Sabbath previous to, and the Sabbath after that meeting or if you cannot preach on both Sabbaths, on which of those Sabbaths it will be most convenient for you. we should be much gratified to have you preach both Sabbaths if you can.

Very respectfully Yrs

D. Andrews in behalf of
